

Insurance and Tuition Scholarship Values 2024-25

Insurance Values:

Insurance rates typically change in **January** after the rates for the calendar year are announced

<u>Insurance</u>	<u>9 and 12-month Contracts</u>	<u>Fall Semester Only</u>	<u>Winter Semester Only</u>
Medical	\$ 7362	\$ 2761	\$ 4601
Vision Care	\$ 28	\$ 10	\$ 18
Dental	\$ 288	\$ 108	\$ 180

Tuition Values:

Tuition rates typically change in **July**

9-month appointments - 20 graduate credits (10 per Fall and Winter semesters)

12-month appointments - 22 graduate credits (10 per Fall and Winter semesters and 2 per S/S semester*)

Tuition Rate	Resident (9-month)	Non-resident (9-month)	Resident (12-month)	Non-resident (12-month)
Regular Graduate	\$17,960	\$36,452	\$20,052	\$40,493
Engineering, Business & Information Sciences	\$20,520	\$39,102	\$22,868	\$43,309
Fine, Performing & Communications Arts	\$18,757	\$37,339	\$20,929	\$41,370
Medicine	\$21,875	\$39,500	\$24,359	\$43,747
Nursing	\$23,765	\$42,348	\$26,438	\$46,879
Pharmacy & Kinesiology	\$20,141	\$38,724	\$22,452	\$42,893

*To maintain uniformity among all graduate assistantships, the S/S semester tuition scholarship is now two graduate credits, consistent with the GEOC/AFT Labor Agreement. This means that letters of offer for all 12-month GRAs and GSAs should indicate a maximum scholarship of two graduate credits for the S/S semester. However, faculty members supporting GRAs on their grants may choose to pay more than the two graduate credits during the S/S semester.
