Medicine	\$18,628	\$33,637	\$20,743	\$37,253
Nursing	\$20,237	\$36,061	\$22,513	\$39,920
Pharmacy & Kinesiology	\$17,151	\$32,975	\$19,119	\$36,526

*In an effort to maintain uniformity among all graduate assistantships, the S/S semester tuition scholarship is now two graduate credits, consistent with the GEOC/AFT Labor Agreement. This means that letters of offer for all 12-month GRAs and GSAs should indicate a maximum scholarship of two graduate credits for the S/S semester. However, faculty members supporting GRAs on their grants may choose to pay more than the two graduate credits during the S/S semester.
