

Fellowship Writing Boot Camp – Information Session for Graduate Students, Postdocs, and Faculty

July 9, 2018, 3 – 5 p.m.
Hilberry C, Student Center

Presented by:

Christine Chow – Professor, Chemistry Department

- Introduction and overview of graduate student and postdoctoral fellowships
- How to find fellowships (in STEM, humanities, social sciences, etc.)
- Essentials of fellowship applications (training plan, role of sponsor/mentor)
- Overview of the review process
- A second session will be held on July 30 and 31 in which students/postdocs present their ideas and receive feedback (limited to 12 people – to be nominated by research advisors)
